This architectural drawing shows a section of a building facade. On the left, there is a vertical element, possibly a door or window frame. To its right is a large, circular feature, which could be a window or a decorative element. The drawing is a line drawing, showing the outlines and some internal details of the structure.

Figure 1 shows a plan view of a road layout. It features a main road with a width of 20m, which is divided into a 10m wide lane and a 10m wide shoulder. The road is labeled '20m' and '10m'.
